PROVISIONS RELATING TO BENEFITS

Total Disability Benefit
When You are Totally Disabled, the Monthly Benefit is paid as follows:

- You must become Totally Disabled while the Policy is in force.
- You must satisfy the Elimination Period.
- After You have satisfied the Elimination Period, the Monthly Benefit will be payable at the end of each month while You remain Totally Disabled.
- The Monthly Benefit will stop at the end of the Benefit Period or on the date You are no longer Totally Disabled, if earlier.

We will not increase the Monthly Benefit because You are Totally Disabled from more than one cause at the same time.

Medical Care Requirement
We will neither pay benefits nor waive premium under the Policy for any period of Disability during which You are not under a Physician's regular care that is appropriate, according to prevailing medical standards, for the conditions causing Disability. Appropriate care includes a plan between You and Your Physician that addresses Your goals for treatment and recovery, coordinates care among all Physicians involved in the treatment of the conditions causing Disability, and addresses Your functional status. The medical care must be provided by Physicians whose specialties are appropriate for Your Injury or Sickness causing Disability. You have the responsibility to obtain, and reasonably participate in, Your appropriate medical plan of care.

We will waive the medical care requirement during any claim under the Policy upon reasonable written proof that such medical care would not improve the disabling condition or prevent its worsening under prevailing medical standards. Such waiver will not restrict any of Our rights under the Policy.

Presumptive Total Disability Benefit
We will consider You to be Totally Disabled even if You are actively at work if, while the Policy is in force, Injury or Sickness results in Your total and complete loss of:

- sight in both eyes;
- hearing in both ears;
- speech; or
- the use, in their entirety, of both hands, both feet, or one hand and one foot.

We will then waive the unexpired portion of the Elimination Period and benefits will start to accrue from the date of Your Total Disability. The Monthly Benefit will be paid for as long as Your Total Disability continues, but not longer than the Benefit Period.

Fractional Month
If You are Disabled for less than a full month, We will pay 1/30 of the monthly benefit payable under the Policy for each day You are Disabled.

Concurrent Disability
A concurrent Disability is a Disability that is caused by more than one Injury and/or Sickness. Once a period of Disability begins, We will consider it to be one continuous period of Disability no matter what Injury or Sickness, or combination thereof, caused the Disability or caused it to continue. We will pay benefits for a concurrent Disability as if there were only one Injury or Sickness. In all cases, the amount and duration of benefits for a concurrent Disability will not be more than the maximum for any one Disability.

Recurrent Disability
A recurrent Disability is a Disability that is determined to be a continuation of a previous Disability. If We determine Your Disability to be a recurrent Disability, Your prior claim for Disability will resume and no new Elimination Period will be required. All terms and conditions of the Policy must be satisfied. We will deem Your Disability to be a recurrent Disability, if:

Specimen

- after the previous Disability ends, You have returned to Full Time active work for less than 12 months; and
- the Disability results entirely or in part from the same cause or causes as the previous Disability; and
- benefits were received under the Policy for the previous Disability.

If a Disability is determined not to be a recurrent Disability, then it will be considered a new and separate Disability.

New Benefit Period
If the Benefit Period is 2 Years, 5 Years, or 10 Years, and You continue to be Disabled after the Benefit Period has ended, You will not be eligible for a new 2 Years, 5 Years, or 10 Years Benefit Period unless:

- Your Disability ends; and
- You return to Full Time active work; and
- the Policy remains in force; and
- all terms and conditions of the Policy are satisfied.

Waiver of Elimination Period
We will waive the Elimination Period if:

- You become Disabled within five years after the end of a previous Disability; and
- the previous Disability lasted more than six months; and
- We paid benefits under the Policy for the previous Disability; and
- You remain continuously Disabled for at least for 30 days.

Transplant and Cosmetic Surgery
We will deem You to be Totally Disabled as a result of Sickness if You become Totally Disabled due to:

- the transplant of a part of Your body to another person more than six months after the Effective Date, or
- complications due to elective cosmetic surgery to improve Your appearance or correct a disfigurement, if the surgery occurs more than six months after the Effective Date.

We will not pay benefits for any Disability caused by, contributed to by, or which results from, such transplant or complications due to elective cosmetic surgery that occurs during the first six months after the Effective Date.

Waiver of Premium Benefit
If You are Disabled for the length of the Elimination Period due to Injury or Sickness not excluded from Coverage:

- We will refund that portion of any premium paid that applies to the period of Disability beginning with the date that You were first Disabled in the same claim.
- We will then waive any later premium that is due while You are continuously Disabled in the same claim and receiving benefits for the Disability.

We will continue to waive premium if You remain continuously Disabled after the end of the Benefit Period and before the Expiration Date. You must notify Us within six months of the date Your Disability ends. The pro rata portion of the premium for the remainder of the current Premium Term must be paid, and all premiums due thereafter must be paid, in order to keep the Policy in force. The Policy will terminate if You fail to notify Us within six months of the date Your Disability ends.

We will continue to waive premium for the six-month period after Your Disability ends. At the end of the six-month period, the pro rata portion of the premium for the remainder of the current Premium Term must be paid, and all premium due thereafter must be paid, in order to keep the Policy in force.

The Waiver of Premium Benefit will also apply if benefits are payable because You have met the requirements of the Recurrent Disability provision.

Nothing in this provision will change the conditions for renewal after the Expiration Date that require You to be actively and regularly at work Full Time for at least ten months each year.

If the Expiration Date occurs while premiums are being waived, the Policy will terminate.

Hospice Care Benefit
We will consider You to be Totally Disabled if, due to an Injury or Sickness, You are:

- under a Physician-ordered plan of care for hospice services; and
- receiving hospice services through a member of the National Hospice and Palliative Care Organization.

We will then waive the unexpired portion of the Elimination Period and benefits will start to accrue from the date a Physician-ordered plan of care is initiated for hospice services. The Monthly Benefit will be paid for as long as Your Total Disability continues, but not longer than the Benefit Period.

PROVISIONS RELATING TO SUSPENSION

Suspension for Active Military Service
The Policy will be suspended on the date You begin active duty in the military of any nation or international authority including, but not limited to the United States Army, Navy, Air Force, Marine Corps, Coast Guard, or National Guard. Active duty does not include training that lasts 90 days or less, or any period of travel preceding a period of active duty.

The Policy must be in force and premium must be paid to the date it is suspended. Active duty begins at 12:01 a.m. on the date You are obligated to appear for active duty and for which You will be paid for such duty. Acceptance of premium by Us while You are on active duty will not waive the suspension of the Policy. Any premium paid that applies on or after the date it is suspended will be refunded.

While the Policy is suspended:

- We will neither require premium nor pay benefits under the Policy; and
- the Policy will not cover losses that result from Injury or Sickness that occurs or begins while the Policy is suspended; and
- no privileges or options under the Policy or any attached riders may be exercised.

The suspension of the Policy ends when You are no longer on active duty. On the date We receive a written request to place the Policy back in force and the required pro rata premium, the Policy will be placed back in force. We will not require evidence of insurability. Any such request and premium payment must be received by Us within 90 days after the date Your active duty ends. The Grace Period does not apply. The Policy will terminate if the premium for the Policy remains unpaid for more than 90 days after the suspension ends.

If the Policy is placed back in force following a suspension:

- premium will be at the same rate that it would have been had the Policy not been suspended.
- the Policy will cover only losses that result from Injury that occurs after the date the Policy is placed back in force or Sickness that begins more than ten days after such date.

In all other respects, the Policyowner and We will have the same rights under the Policy as before it was suspended.

If the Expiration Date occurs while the Policy is suspended, the Policy will terminate.

Suspension During Unemployment
A suspension of the Policy may be requested if:

- You become unemployed; and
- You have received at least eight weeks of governmental unemployment benefits; and
- the Policy has been in force for at least one year from the Effective Date; and
- the Unemployment Waiver of Premium rider is not attached to the Policy.

The suspension of the Policy starts on the date We receive:

- a written request to suspend the Policy; and
- proof that You are unemployed and have received eight weeks of governmental unemployment benefits.

The Policy must be in force and premium must be paid to the date it is suspended. Any premium paid that applies on or after the date it is suspended will be refunded.

Specimen

While the Policy is suspended:

- We will neither require premium nor pay benefits under the Policy; and
- the Policy will not cover losses that result from Injury or Sickness that occurs or begins while the Policy is suspended; and
- no privileges or options under the Policy or any attached riders may be exercised.

The suspension will end at the earlier of:

- the date We receive a written request to end the suspension of the Policy, subject to proof that You are actively and regularly at work; or
- 12 months after the date on which the Policy is suspended.

When the suspension of the Policy ends, We will require pro rata premium to place the Policy back in force. The Grace Period does not apply. The Policy will terminate if the premium for the Policy remains unpaid for more than 90 days after the suspension ends.

If the Policy is placed back in force following a suspension:

- premium will be at the same rate that it would have been had the Policy not been suspended.
- the Policy will cover only losses that result from Injury that occurs after the date the Policy is placed back in force or Sickness that begins more than ten days after such date.

In all other respects, the Policyowner and We will have the same rights under the Policy as before it was suspended.

If the Policy has been suspended by reason of unemployment, the Policy may not be suspended by reason of unemployment again until 48 months have elapsed from the end of the last suspension by reason of unemployment.

If the Expiration Date occurs while the Policy is suspended, the Policy will terminate.

EXCLUSIONS AND LIMITATIONS

Exclusions

We will not pay benefits for any Disability:

- caused by, substantially contributed to by, or which results from, military training, military action, military conflict, or war, whether declared or undeclared, while You are serving in the military or a military auxiliary unit, either active or reserve, or working for contracted military services; or
- caused by, substantially contributed to by, or which results from, Your commission of, or attempt to commit, a felony as defined under local, state, or federal law; or
- caused by, substantially contributed to by, or which results from, Your being engaged in an illegal occupation; or
- caused by, substantially contributed to by, or which results from, an intentionally self-inflicted injury; or
- caused by, substantially contributed to by, or which results from, a normal pregnancy or childbirth until 90 days have elapsed from the date of Disability or the Elimination Period has been satisfied, if later; or
- due to any loss We have excluded from Coverage under the Policy by name or description.

Limitation While Outside the United States, Canada or Mexico

Benefits for Disability will be limited to a total of twelve months during Your lifetime unless You are living full time in the United States, Canada or Mexico for at least six consecutive months in each calendar year. United States refers to the 50 states that comprise the United States of America and the District of Columbia.

If benefits under the Policy have ceased because of this limitation and You return to the United States, Canada or Mexico, benefits may resume under the Policy if all terms and conditions of the Policy are satisfied.

If You continue to reside outside of the United States, Canada or Mexico , premiums will become due beginning three months after benefits under the Policy have ceased.

Pre-existing Condition Limitation

We will not cover any loss that begins in the first two years after the Effective Date that is caused or substantially contributed to by a Pre-existing Condition.

Mental and/or Substance-Related Disorders Benefit Limitation
If the Policy includes a Mental and/or Substance-Related Disorders Benefit Limitation, it is shown in the Schedule Page. Under this limitation, benefits We pay for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder are limited during Your lifetime to the number of months specified in the Schedule Page.

After We have paid benefits for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder for the number of months specified in the Schedule Page, We will not pay benefits for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder unless You are:

- continuously confined in a Hospital for treatment of a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder; and
- under the regular care of a Physician.

Under no circumstance will We pay benefits for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder that We have excluded by name or description.

This limitation will not apply to Catastrophic Disability due to a Cognitive Impairment, as defined in the Basic Catastrophic Disability Benefit Rider or Enhanced Catastrophic Disability Benefit Rider, if attached to the Policy.

PROVISIONS RELATING TO CLAIMS

Authorization
We will require an authorization, without alterations, signed by You, or Your duly authorized legal representative, for Us to obtain information, as often as is reasonably necessary.

Notice of Claim
You must give Us written notice of claim within 30 days after any loss covered by the Policy occurs or begins, or as soon after that as is reasonably possible. Written notice of claim, given by or on behalf of You, with complete information to identify You, will be sufficient if provided to Us at Our home office, 700 South Street, Pittsfield, MA 01201.

Claim Forms
When We receive written notice of claim, We will send claim forms for filing proof of loss. Claim forms must be completed, signed and returned to Us, and are a required part of proof of loss. If We do not send You such forms within 15 days after receiving written notice of claim, You may submit a written statement within the time provided in the Policy for filing written proof of loss covering the occurrence, the character and the extent of the loss for which a claim is made.

Proof of Loss
You must provide Us with written proof of loss at Our home office for any loss within 90 days after the end of each monthly period for which benefits are claimed. All losses must occur while the Policy is in force. If You cannot give Us written proof of loss within the prescribed time, We will not deny or reduce Your claim if You give Us written proof of loss as soon as reasonably possible. Under no circumstance will We pay benefits if written proof of loss is delayed for more than one year, unless You have lacked legal capacity.

We can require any proof that We consider necessary to evaluate Your claim. Such proof may include, but is not limited to, medical records, employment records, business records, evidence of Your Prior Income and Current Income, financial records, and any other information necessary for Us to evaluate Your claim. You must meet with Our representative for a personal interview or review of records at such time and place, and as frequently, as We reasonably require.

Payment of Claim
All terms and conditions of the Policy must be satisfied in order for benefits to become payable. After all required proof of loss is provided and the claim is approved by Us, benefits due under the Policy will be paid to the Loss Payee.

Specimen

If any benefit of the Policy becomes payable to Your estate or to a person who is a minor or otherwise not competent to give a release, We may pay such benefit, up to $1,000, to a relative by blood or marriage of such person We deem appropriate. Any payment made in good faith under this provision will fully discharge Us to the extent of such payment.

The Policy, and all Coverage, terminates upon Your death. Any accrued benefits that are unpaid will be paid to Your estate.

Time of Claim Payment
Benefits payable under the Policy for any loss other than loss for which the Policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written Proof of Loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof of such loss.

Examinations
We, at Our own expense, shall have the right and opportunity to examine the person of the insured when and as often as We may reasonably require during the pendency of a claim hereunder.

Responsibility to Cooperate
You have the responsibility to cooperate with Us concerning all matters relating to the Policy including, but not limited to, any claims under the Policy.

PROVISIONS RELATING TO PREMIUM AND RENEWAL

Premium
Premiums are due on the first day of each Premium Term. If You die, any premium paid that applies to the period after Your date of death will be refunded to the Policyowner or the Policyowner's estate.

Grace Period
Except for the first premium, if the premium has not been paid by the premium due date, We allow a grace period of 31 days in which to pay each premium due. The Policy stays in force during the grace period. If the premium has not been paid by the end of the grace period, the Policy will lapse.

Premium Term Changes
The Policyowner may submit a written request to Our home office to change the Premium Term. On request, and subject to Our approval, premiums may be paid annually or on a periodic basis. As shown in the Schedule Page, the Premium Terms available are annual, semiannual, quarterly, or monthly. Any change to the Premium Term will begin with the next premium due date. We will not allow any change that would result in any premium not being due on a Policy Anniversary.

Conditional Renewal After The Expiration Date
After the Expiration Date, the Policy may be conditionally renewed on each Policy Anniversary, if:

- You are not Disabled; and
- You are actively and regularly at work Full Time for at least ten months each year; and
- the premium is paid on time; and
- the Policy is in force up to the Expiration Date.

If the Policyowner renews the Policy after the Expiration Date, We can require satisfactory written proof that You have continued to be actively and regularly at work Full Time for at least ten months each year. Upon Our approval, We will issue a new Schedule Page.

The only Coverage that will continue after the Expiration Date is for Total Disability, unless otherwise stated. The Benefit Period after the Expiration Date is shown in the Schedule Page.

The premium at each renewal will be based on Our premium rates in effect for Your Age, gender, Class of Risk, Occupation Class, any special class rating under the Policy, and other factors We are adding on a class basis at that time. We have the right to change such premiums on a class basis on any Policy Anniversary.

Specimen

Any premium paid after the Expiration Date for a period not covered by the Policy will be returned to the Policyowner.

Reinstatement
If the Policy has lapsed at the end of the grace period, the Policyowner can apply to reinstate the Policy by completing an application for reinstatement and paying all overdue premium. We must receive the application within six months of the date the Policy lapsed.

We may require satisfactory evidence of insurability to reinstate the Policy. If We approve the application, the Policy will be placed back in force on the date of such approval. If We refuse to reinstate the Policy, We will refund the overdue premium. If We have neither approved nor refused the application in writing within 45 days after receipt of such application and overdue premium, the Policy will be reinstated on that 45th day.

The Policy will be reinstated as of the date We accept a premium if We do not require an application.

The reinstated Policy will cover only losses that result from Injury that occurs after the date of reinstatement or Sickness that begins more than ten days after such date. In all other respects, the Policyowner and We will have the same rights under the Policy as before it lapsed, subject to any provisions endorsed on or attached to the Policy in connection with reinstatement.

When the Policy is Effective
The Policy takes effect at 12:01 a.m. on the Effective Date and terminates at 11:59 p.m. on the date on which the Policy terminates.

The Contract
The Policy with any application(s), Schedule Pages, and any attached riders, amendments, and endorsements make up the entire contract. No agent or broker has authority to change the Policy or waive any of its provisions.

Time Limit on Certain Defenses
(a) After two years from the Effective Date of the Policy no misstatements, except fraudulent misstatements, contained in the application for the Policy shall be used to void the Policy or to deny a claim for loss incurred or Disability commencing after the expiration of such two-year period.
(b) No claim for loss incurred or Disability commencing after two years from the Effective Date of the Policy shall be reduced or denied on the ground that a disease or physical condition not excluded from Coverage by name or specific description effective on the date of loss had existed prior to the Effective Date of the Policy.

In the event of a reinstatement, no misstatements, except fraudulent misstatements, contained in the application for reinstatement of the Policy shall be used to void the Policy or to deny a claim for loss incurred or Disability for a period of two years following the date the Policy was reinstated.

In the event that any Coverage or rider is added to the Policy after the date the Policy takes effect, no misstatements, except fraudulent misstatements, contained in the application for such Coverage or rider shall be used to deny a claim for loss incurred or Disability under such Coverage or rider for a period of two years following the date the Coverage or rider is added to the Policy. No claim for a loss incurred or Disability commencing after two years from the date such Coverage or rider takes effect, shall be reduced or denied on the ground that a disease or physical condition not excluded from Coverage by name or specific description effective on the date of loss had existed prior to the date such Coverage or rider took effect.

Conformity with State Laws
Any provision of the Policy that, on the Effective Date, is in conflict with the laws of the state in which You reside on such date is hereby amended to meet the minimum requirements of such laws.

Legal Actions
No one can bring an action at law or in equity under the Policy until 60 days after written proof of loss, as required by the Proof of Loss provision under the Policy, has been furnished. In no case can an action be brought against Us more than three years after written proof of loss must be furnished.

Misstatements of Age
If Your age is misstated on the application, Coverage will be what the premium paid would have purchased based on the correct age.

If We would not have issued the Policy at Your correct age, there will be no insurance and We will refund all premiums paid for the period not covered by the Policy.

Assignment
We will be bound by an assignment of the Policy for any claim only if We receive a written assignment from the Policyowner on a form provided by Us before We pay the benefits claimed. We will not be responsible for the validity or tax consequences of any assignment.

Waiver of Policy Provisions
Our failure to invoke or enforce any right under the terms of the Policy will not be deemed a waiver of that right.

The Policy is amended by adding or changing the following provisions:

DEFINITIONS

CPI-U
CPI-U means the Consumer Price Index for All Urban Consumers, or any later replacement for it, as published by the Bureau of Labor Statistics of the United States Department of Labor.

Current Index Month
Current Index Month means the yearly anniversary of the Original Index Month immediately preceding each Review Date.

Disability or Disabled
Disability or Disabled is amended to also include Partial Disability or Partially Disabled.

Enhanced Initial Monthly Benefit
The Enhanced Initial Monthly Benefit is the amount We will pay each month for the first 12 months that You are eligible for a Partial Disability benefit in the same claim.

Monthly Partial Benefit
Monthly Partial Benefit means the amount We will pay each month if You continue to be Partially Disabled in the same claim after the Enhanced Initial Monthly Benefit has been paid for 12 months. It is a percentage of the Monthly Benefit.

Original Index Month
Original Index Month means the calendar month 90 days before the date on which You were first Disabled in the same claim.

Partial Disability or Partially Disabled
During the Elimination Period, Partial Disability or Partially Disabled means You are not Totally Disabled and while working in an occupation, as a result of Sickness or Injury:

- Your Current Income is 85% or less of Your Prior Income; or
- You can perform one or more, but not all, of the material and substantial duties of Your Usual Occupation; or
- You can perform all of the material and substantial duties of Your Usual Occupation, but not for the length of time You normally require.

Working an average of more than 40 hours in a week, in itself, is not a material and substantial duty.

Once the Elimination Period has been satisfied, Partial Disability or Partially Disabled means You are not Totally Disabled and while working in an occupation, as a result of Sickness or Injury, Your Current Income is 85% or less of Your Prior Income.

Specimen

PROVISIONS RELATING TO PARTIAL DISABILITY

Partial Disability Benefit
When You are Partially Disabled, We will pay a Partial Disability benefit as follows:

- You must become Disabled while the rider is in force.
- You must satisfy the Elimination Period.
- After You have satisfied the Elimination Period, a Partial Disability benefit will be payable at the end of each month while You are Partially Disabled.

For each month of the first 12 months that You are eligible for a Partial Disability benefit in the same claim, We will pay an Enhanced Initial Monthly Benefit. The Enhanced Initial Monthly Benefit is equal to Your Loss of Income less any individual disability insurance benefits You are receiving, from Us and all other insurance companies, on policies that are in force on or before the Effective Date of this rider. The Enhanced Initial Monthly Benefit will not be less than 50% of the Monthly Benefit. In no event will the Enhanced Initial Monthly Benefit exceed the Monthly Benefit.

If You continue to be Partially Disabled in the same claim after the Enhanced Initial Monthly Benefit has been paid for 12 months, We will pay a Monthly Partial Benefit.

The Monthly Partial Benefit will be determined by the formula (a) divided by (b) multiplied by (c), where:
(a) is Your Loss of Income for the month in which You are Partially Disabled; and
(b) is Your Prior Income; and
(c) is the Monthly Benefit.

If Your Loss of Income is more than 75% of Prior Income in any month of Partial Disability while an Enhanced Initial Monthly Benefit or a Monthly Partial Benefit is payable, We will deem such loss to be 100%.

We will not increase the Partial Disability benefit because You are Disabled from more than one cause at the same time.

Recovery
We will continue to consider You Partially Disabled, even if You have recovered from the Sickness or Injury that caused Partial Disability if, as a result of the Sickness or Injury, Your Current Income is 85% or less of Your Prior Income.

Adjustment of Prior Income and Prior Business Expenses
On the Review Date while benefits are payable, We will adjust Your Prior Income and Prior Business Expenses for the next 12 months based on changes in cost of living, as reflected in the CPI-U, since the start of claim. We will adjust the Prior Income and Prior Business Expenses by multiplying each by the actual percentage change in the CPI-U between the Current Index Month and the Original Index Month. The adjusted Prior Income and adjusted Prior Business Expenses will apply to the 12-month period that follows the Review Date and will be used to determine Your Loss of Income.

The adjustment to Prior Income and Prior Business Expenses may vary from year to year as the CPI-U rises or falls in relation to the Original Index Month. We will make no change that would reduce Prior Income or Prior Business Expenses below what they were at the start of claim.

We will adjust the Prior Income and Prior Business Expenses on each Review Date, while a Partial Disability benefit is payable, until the first of the following occurs:

- The Benefit Period ends; or
- This rider terminates.

Proof of Loss
In addition to any proof of loss required by the Policy, You must provide Us with written proof of loss necessary to establish that Your Loss of Income is the result of Your Sickness or Injury.

- the first month in which Your Current Income is more than 85% of Your Prior Income; or
- You become Totally Disabled; or

Following a period of Disability, We will pay a recovery benefit for up to twelve consecutive months for any one claim if:

- We paid benefits under the Policy; and
- Your Loss of Income is at least 20% of Your Prior Income; and

The recovery benefit will be determined by the formula (a) divided by (b) multiplied by (c), where:
(a) is Your Loss of Income for the month in which a recovery benefit is payable; and
(b) is Your Prior Income; and
(c) is the Monthly Benefit.

If Your Loss of Income is more than 75% of Prior Income in any month in which a recovery benefit is payable, We will deem such loss to be 100%.

PROVISIONS RELATING TO INCREASE OPTIONS

Exercising an Increase Option During an Option Period
An Increase Option may be exercised during an Option Period if You are actively at work Full Time. We must receive the application for an Increase Policy during an Option Period. Each time We issue an Increase Policy, the remaining Total Increase Option Amount available under this rider will be reduced by the amount of the Increase Policy.

All or part of the remaining Total Increase Option Amount may be applied for until You attain Age 45.

On or after Age 45, only the following may be applied for:

- up to one-third of the original Total Increase Option Amount, not to exceed the remaining Total Increase Option Amount; or

- the remaining Total Increase Option Amount if an Increase Policy is being applied for as a result of a Special Option Date that occurs because You are no longer covered by, nor eligible to participate in, a group LTD plan.

Specimen

Each Increase Policy applied for during an Option Period will be underwritten to determine the maximum amount of Monthly Benefit available, if any, not to exceed the Total Increase Option Amount. This amount will be determined by Our underwriting rules in effect on either the Effective Date of the Policy or when an Increase Policy is applied for, whichever are more favorable to You.

We will issue only one Increase Policy as a result of a Special Option Date while the Policy and this rider are in effect. If We issue an Increase Policy as a result of a Special Option Date, no Increase Option will be available during the next Option Period.

Exercising an Increase Option When Disabled or Receiving Disability Benefits
An Increase Option may be exercised during an Option Period when You are Disabled or receiving disability benefits from any source. However, an Increase Option may not be exercised as a result of a Special Option Date if You are Disabled or receiving disability benefits from any source.

If an Increase Option is exercised when You are Disabled or receiving disability benefits from any source, any Increase Policy will only apply to a new and separate Disability and will not provide a benefit for the current Disability, or recurrent Disability, or current claim for benefits**.**

Your Income for the purpose of exercising an Increase Option when You are Disabled or receiving disability benefits from any source will be based upon Your Income in the 12-month period immediately prior to the onset of Your Disability.

Proof of Insurability
When an Increase Option is exercised, You must provide evidence of Your Income, employment, and all other disability insurance with any insurer that is in force, that has been applied for, or for which You are eligible. We may require additional evidence of financial insurability. You do not have to provide evidence of Your occupation or medical insurability.

If an Increase Option is exercised as a result of a Special Option Date because You are no longer covered by, nor eligible to participate in, a group LTD plan, You must also provide evidence of Your eligibility status in a group LTD plan.

Increase Policy
The Increase Policy will be issued on a separate policy form then being used by Us for new applicants on a regular basis in the place where You live. For purposes of this rider, new applicants are individuals who do not have any coverage in force with Us at the time of application.

The Increase Policy will include those provisions, benefits, and riders that are part of the Policy if We are then offering them to new applicants in the place where the Increase Policy is issued. The provisions, benefits, and riders of the Increase Policy may be different from the Policy.

The Increase Policy will not have a shorter Elimination Period or a longer Maximum Benefit Period than the Policy.

We will not issue an Increase Policy with less than $200 of Monthly Benefit.

The premium for each Increase Policy will be based on Our premium rates in effect on the date of issue of the Increase Policy, which may vary by state. The premium may also be based on, but not limited to, the following:

- the Increase Policy amount and any rider that is attached to the Increase Policy; and
- Your age on the date of issue of the Increase Policy; and
- Your gender; and
- the state and policy form of the Increase Policy; and
- the Class of Risk, Occupation Class, and any special class rating under the Policy.

Your Class of Risk and Occupation Class under the Increase Policy will not be less favorable than under the Policy. If, at the time the Increase Policy is applied for, You submit evidence satisfactory to Us that You qualify for a more favorable Class of Risk and/or Occupation Class than under the Policy, We will apply the more favorable classification to the Increase Policy.

Specimen

Conditions that are excluded by name or description under the terms of the Policy will be excluded under the Increase Policy.

In order for an Increase Policy to become effective, We must receive the first premium unless premiums are then being waived because You are Disabled or benefits are being paid under the Policy. The premium for any Increase Policy will be waived if premiums are then being waived under the Policy.

Rider Premium
The premium for this rider is shown in the Schedule Page. Each time We issue an Increase Policy, the remaining Total Increase Option Amount available and the premium for this rider will be reduced accordingly. A new Schedule Page will be issued.

Supplemental Benefit Accumulation Period is the uninterrupted period of consecutive days during which the Supplemental Benefit Elimination Period must be satisfied. The Supplemental Benefit Accumulation Period begins on the first day that You are Totally Disabled. It is shown in the Schedule Page.

Supplemental Benefit Elimination Period
Supplemental Benefit Elimination Period is the number of days You must be Totally Disabled before benefits begin to accrue and starts on the first day that You are Totally Disabled. The days within this period need not be consecutive, but they must occur within the Supplemental Benefit Accumulation Period. Benefits will not accrue or be payable during the Supplemental Benefit Elimination Period. The Supplemental Benefit Elimination Period is shown in the Schedule Page.

Supplemental Monthly Benefit
Supplemental Monthly Benefit is the amount We will pay for each month of Total Disability. It is shown in the Schedule Page.

Supplemental Benefit Termination Date
Supplemental Benefit Termination Date means the date on which coverage under this rider terminates, if it has not already terminated. It is shown in the Schedule Page.

- You become Totally Disabled while this rider is in force.
- You must satisfy the Supplemental Benefit Elimination Period, except as noted in the Conditional Extension of Benefits provision.
- After You have satisfied the Supplemental Benefit Elimination Period, the Supplemental Monthly Benefit will be payable at the end of each month while You remain Totally Disabled.
- The Supplemental Monthly Benefit will stop on the Supplemental Benefit Termination Date or, if earlier, on the date You are no longer Totally Disabled.

We will not increase the Supplemental Monthly Benefit if You are Totally Disabled from more than one cause at a time.

Conditional Extension of Benefits
If Your Total Disability begins within six months of the Supplemental Benefit Termination Date, You may be eligible for an additional six months of Supplemental Monthly Benefit, so long as You meet the conditions stated above.

We will waive the unexpired portion of the Supplemental Benefit Elimination Period and benefits will start to accrue from the date of Your Total Disability.

This provision does not modify the Supplemental Benefit Termination Date.

SOCIAL INSURANCE SUBSTITUTE RIDER

This rider is a part of the Policy to which it is attached. All provisions of the Policy apply to this rider and remain the same except where We change them by this rider.

The Policy is amended by adding or changing the following provisions:

DEFINITIONS

Legislated Benefits
Legislated Benefits means the benefits provided for disability or retirement under:

- the U.S. Social Security Act or a similar law of any other country (including any Primary Insurance Amount or Family Benefit); or
- any workers' compensation or occupational disease law, or any similar law; or
- retirement and disability fund programs for employees of any federal, state, county, municipal or other governmental subdivision; or
- any other federal, state, county, or municipal disability or temporary disability law.

Monthly Benefit
Monthly Benefit is the Monthly Benefit shown in the Schedule Page plus the Social Insurance Substitute Benefit, if any.

Social Insurance Substitute Benefit
The Social Insurance Substitute Benefit is the additional benefit provided by this rider.

Social Insurance Substitute Maximum Monthly Benefit
The Social Insurance Substitute Maximum Monthly Benefit is shown in the Schedule Page.

PROVISIONS RELATING TO THE SOCIAL INSURANCE SUBSTITUTE BENEFIT

The Social Insurance Substitute Benefit is determined as follows:

- If You receive no Legislated Benefits, the Social Insurance Substitute Benefit is the Social Insurance Substitute Maximum Monthly Benefit.
- If You receive Legislated Benefits, the Social Insurance Substitute Benefit is the Social Insurance Substitute Maximum Monthly Benefit minus the Legislated Benefits You receive.
- If You receive Legislated Benefits that are equal to or greater than the Social Insurance Substitute Maximum Monthly Benefit, the Social Insurance Substitute Benefit is zero.

Any automatic increases in Your Legislated Benefits during a Disability will not be included in the calculation of the Social Insurance Substitute Benefit.

If the first payment of any Legislated Benefits includes a retroactive benefit, We will not require a refund for any amounts We may have paid under this rider for the same period of Disability that such retroactive benefit covers.

If any payment of Legislated Benefits includes a lump sum payment, We must immediately be notified of such payment. The lump sum payment will be prorated on a monthly basis over the time period for which the payment was intended. If the time period to which the lump sum payment applies is not specified, We will make a reasonable determination as to the time period for which the payment may have been intended.

We will not increase the Social Insurance Substitute Benefit because You are Disabled from more than one cause at the same time.

Specimen

Eligibility for the Social Insurance Substitute Benefit
To be eligible for the Social Insurance Substitute Benefit, You must be Disabled and You must give Us written proof that:

- You have applied in a proper and timely manner for any Legislated Benefits for which You may be eligible; and
- Your claim for Legislated Benefits has been approved, denied, or is still pending; and
- if denied, You are pursuing every appeals process available to You.

Such proof must be provided to Us as often as We may reasonably require. It must include all correspondence between You and the appropriate office for the Legislated Benefits for which You are making claim, as well as any correspondence You have with Your employer.

If You have not provided such written proof, We will deem the Social Insurance Substitute Benefit to be zero.

If, after completing the appeals process, You are still denied Legislated Benefits, We can require You to reapply for Legislated Benefits as often as We may reasonably require.

Attorney Fee Benefit
If You incur attorney fees during a Legislated Benefits appeals process, We will pay a one-time additional benefit equal to the Social Insurance Substitute Maximum Monthly Benefit, provided that You had:

- a hearing before an Administrative Law Judge; or
- a review of the hearing by the Appeals Council (or similar body); or
- brought a civil action in the United States District Court.

We will not pay the attorney fee benefit for services provided before Your initial filing for Legislated Benefits is denied and You have requested and received a reconsideration of the denial.
